## **DETAILED ACTION**

### ***Response to Arguments***

1. Applicant's arguments, see pages 6-9, filed February 21, 2005, with respect to newly amended independent claims 1 and 6 have been fully considered and are persuasive. The rejections of these claims, and the corresponding dependent claims, have been withdrawn in view of the amendment to the claims and applicant's related arguments.

### ***Allowable Subject Matter***

2. Claims 1, 6, 10-12 and 14-28 are allowed.
3. The following is an examiner's statement of reasons for allowance: independent claims 1 and 6 are allowed in view of applicant's arguments in pages 6-9 of the remarks in the amendment filed February 21, 2005. The newly added limitations to the amended claims 1 and 6 overcome the cited prior art. Additionally, claims 10-12 and 14-28 depend upon and include additional limitations of the allowed claim 1, and are therefore also allowed for the same reasons discussed regarding claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
